

Magic Stitches

Ladies Lace Slippers Instructions:

You Will Need:

1.3 m (49 Inches) Bias Binding – Width of 1.5 cm (0.59 Inches)

50 cm (18 Inches) Ribbon – Width of 1.5 cm (0.59 Inches)

50 cm (18 Inches) Material – Some non-slip for the bottom of the soles.

50 cm (18 Inches) Foam – Thickness of 1 cm (0.395 Inches)

<p>1. Stitch out pieces -Slipper Part 1a, Slipper Part 1b, Slipper Part 2a and Slipper Part 2b. Don't wash out the water soluble Vilene.</p>	
<p>2. Stitch together Part 1a and 1b. Stitch together Part 2a and 2b</p>	
<p>3. Thoroughly wash out the water soluble Vilene. Leave</p>	

pieces to dry.

4. Cut out of foam 2 left soles and 2 right soles.

5. Using Non-Slip material cut out 1 left and 1 right sole. Using cotton material cut out 1 left and 1 right sole.

6. Put two foam left soles on top of each other, tack together around outer edge. Then place cotton left sole on the top and Non-slip left sole on the bottom, tack tightly onto foam.

7. Place under your sewing machine and

zig zag the edges.
Once this is done,
straight stitch along
the inner edge of the
zig zag.

8. Stitch the one side
of the ribbon to
joined Part 1a&b.
Stitch the other side
of the ribbon to
joined Parts 2a&b

9. Tack lace upper
to the top of the
sole.

10. Tack the Bias
Binding on top of the
Lace upper.
Machine stitch over
tacking.

11. Turn bias binding
over raw edge.
Hand stitch bias into
place on bottom of
sole. Repeat steps 5-
11 for right slipper.
